

✓ CERTNEXUS® CERTIFICATION ROAD MAP

CertNexus credentials are mapped to military occupational specialties and are approved for government funding for all COOL (Credential Opportunities On-Line) programs. Each COOL program operates independently with different requirements and disbursement amounts. Visit your branch's COOL webpage to determine funding and find instructions confirming your eligibility for funding. You can search for certifications by CyberSec First Responder (CFR), military job code or civilian career area.

	Cybersecurity		Internet of Things	Artificial Intelligence	Target Audience
THINK	CyberSAFE	IRBIZ	IoT BIZ	AIBIZ	Project Management, IA Support, Stakeholders, Managers
