## **A MESSAGE FROM THE DEPARTMENT**

The Pesticide Program is responsible for regulating the distribution, storage, and use of all pesticides in the state of Nebraska. The goal of the pesticide program in meeting its statutory responsibilities is to protect the citizens of Nebraska and the environment from the harmful effects of pesticides by ensuring these products are handled, stored, and used properly, safely, and effectively. To carry out this goal, the pesticide program has made education and training a priority combined with a vigorous inspection and enforcement program.

# GENERAL GUIDELINES

## THE LICENSURE PROCESS

Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of, and prohibits all others from legally practicing, a particular profession, vocation, or occupation. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard. The state of Nebraska has retained the services of Pearson VUE to develop and administer its pesticide applicator licensing examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

## OVERVIEW OF LICENSURE

Pesticide applicator licensure is actually a two-step process. The first step is to pass the required examinations for the type of work an applicator does. All commercial and non-commercial applicators must pass the General Standards exam as a demonstration of core competency. All applicators must then pass at least one category examination that demonstrates competency in the specialty of pesticide application they are engaged in, or intend to engage in. Once the General Standards and one category examination are passed the applicator is considered “certified”. This is not the same as “licensed”, which requires payment of a licensing fee set by the Nebraska Pesticide Act. Once the application and license processing fee is paid (in the case of non-commercial applicators there is no fee), the pesticide applicator license is issued for a period of three years, expiring on April 15<sup>th</sup> in the third year after the exams were passed.

## LICENSING REQUIREMENTS

**To qualify for a Nebraska pesticide applicator license, you must:**

- Pass the examinations required by statute
- Be at least 16 years old
- Be a legal citizen of the United States or provide the Department of Agriculture with USCIS documentation upon request
- Remit the license fee (commercial applicators only)

## ABSENCE/LATENESS POLICY

Candidates should arrive thirty (30) minutes before their scheduled examination. For example, if the examination start time is 8:00 a.m. the candidate should arrive at the test center at 7:30 a.m. Candidates who are late to or absent from an examination may be excused for the following reasons:

- Illness of the candidate or of the candidate's immediate family member
- Death in the immediate family
- Disabling traffic accident

- Weather emergency

Written verification and supporting documentation for excused absences must be submitted to Pearson VUE within fourteen (14) days of the original examination date.

Candidates who are absent and fail to change or cancel their reservation according to the *Change/Cancel Policy* will forfeit the examination fee. Candidates who are late will not be admitted to the examination and will forfeit the examination fee.

## WEATHER DELAYS AND CANCELLATIONS

If severe weather or a natural disaster makes the Pearson VUE test center inaccessible or unsafe, the examination may be delayed or canceled. Pearson VUE will notify and reschedule candidates in the case of severe weather.

## ACCOMMODATIONS

Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

- A separate testing room
- Extra testing time – additional 30 minutes

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received

**NOTE:** Candidates for whom English is a second language (ESL) may request additional time for the examination by sending the *English as a Second Language (ESL) Request Form* (found in the back of this Candidate Handbook) to Pearson VUE. Candidates **MUST** include a letter from either his/her English instructor or sponsoring company (on official letterhead if from a company) stating that English is not the candidate's primary language.

Candidates should not attempt to make a reservation until after they have been notified by Pearson VUE via email that their request for additional time has been approved. The length of the examination will be extended by 30 minutes. **NOTE: NO OTHER accommodations will be granted for ESL.**

The approval of additional time will be for one (1) year from the date of the request for the level you have requested.

# EXAM DAY

---

## WHAT TO BRING

### Required Materials

All candidates are required to bring identification that is deemed acceptable, listed under *Acceptable Forms of Candidate Identification*, to the test center on the day of examination.

Candidates who have changed their names must provide written documentation of the change. This documentation may be a copy of a marriage license, divorce decree or other official document.

**Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.**

Note: You will not be permitted to bring your own calculator into the testing room.

### Acceptable Forms of Candidate Identification

Candidate must present **two (2)** forms of current signature identification. The name on the identification must exactly match the name on the registration. The primary identification must be government issued, photo-bearing with a signature and the secondary identification must contain a valid signature. Identification must be in English.

#### Primary ID (with photograph and signature, not expired)

- Government-issued Driver's license
- U.S. Department of State Driver's license
- U.S. Learner's permit (plastic card only with photo and signature)
- National/State/Country Identification Card
- Passport
- Passport card
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card, Permanent Resident Visa)

#### Secondary ID (with signature, not expired)

- U.S. Social Security card
- Debit (ATM) or Credit card
- Any form of ID on the Primary list

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the Primary ID or Secondary ID list that contains a visible signature.

Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

## EXAM PROCEDURES

Candidates should report to the test center thirty (30) minutes before the examination and check in with the test center administrator. The candidate's identification and other documentation will be reviewed and they will be photographed for the score report.

Candidates are required to review and sign a *Candidate Rules Agreement* form. If the *Candidate Rules Agreement* is not followed and/or cheating or tampering with the examination is suspected, the incident will be reported as such and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as decertification.

Candidates will have an opportunity to take a tutorial on the PC on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions, but candidates should be aware that the administrators are not familiar with the content of the examinations or with the state's licensing requirements. Examination administrators have been instructed not to advise candidates on requirements for licensure.

Candidates may begin the examination once they are familiar with the PC. The examination begins the moment a candidate looks at the first examination question. The examination will end automatically when the examination time has expired, and candidates will leave the test center with their official scores in hand.

## ABOUT THE EXAM

All Nebraska Department of Agriculture Pesticide Applicator examinations are given in a multiple choice format dealing with basic pesticide knowledge for the General Standards exam, and category-specific knowledge for the category exams.

Through standardization and control, Pearson VUE ensures that no individual has an unfair disadvantage or advantage because of a particular examination format.

Pearson VUE maintains examination administration and examination security standards designed to ensure that all candidates are given the same opportunity to demonstrate their abilities and to prevent some candidates from gaining an unfair advantage over others because of testing irregularities or misconduct. Pearson VUE routinely reviews irregularities and examination scores believed to be earned under unusual or nonstandard circumstances.

Pearson VUE maintains the right to question any examination score whose validity is in doubt because the score may have been obtained unfairly. Pearson VUE first undertakes a confidential review of the circumstances contributing to the questions about score validity. If there is sufficient cause to question the score, Pearson VUE will refer the matter to the Department, which will make the final decision on whether or not to cancel the score.

The performance of all candidates is monitored and may be analyzed statistically for the purpose of detecting and verifying

fraud. If it is determined that a score has questionable validity, the Department will be so notified and will determine whether the candidate's scores will be released.

## SCORE EXPLANATION

A passing score of 70% or greater must be achieved to pass any of the Pesticide exams.

## DUPLICATE SCORE REPORTS

Candidates may request a duplicate score report from Pearson VUE either by calling (800) 237-7136 or by completing the form in the back of this handbook.
