

Below, you will find a set of instructions designed to simplify the process of purchasing your voucher and ensure a quick and easy experience. Please read instructions carefully so we can ensure your purchase meets your needs.

When selecting your voucher, pay close attention to the following:

- Select your testing program: Choose your testing program, for example “Veeam VMCE.”
- Select region and country: You can purchase the voucher from one country and redeem it in another. Ensure you select the region and country that matches where your vouchers would be **redeemed**.

Please note that vouchers cannot be redeemed in a different country from where they were purchased.

ATTENTION! Voucher types have different option available:

- Once again, select your testing program (e.g., Veeam VMCE).
- You can purchase a voucher as a “Single” or as a “Bundle.” The bundle option includes 10 vouchers at a discounted price per voucher.
- Select your tier: **It is crucial to carefully check the list below to identify your correct country tier.**
- Exam voucher expiration dates cannot be extended.

Important note: Please be aware that vouchers are non-refundable. If you select a different tier than your actual one, you will not be able to use the voucher, and it cannot be reimbursed.
