

Need to gain new skills? We're ready when you are.

CertPREP offers a self-paced online learning option.

Maximize your potential with CertPREP's flexible, self-paced online courses. Learn on your timeline, at your own speed and in your preferred style. CertPREP's self-paced option empowers you to build new skills — helping you advance your knowledge and career on your terms.

Ideal for

Busy professionals | Frequent travelers | Time-crunched students | Stay-at-home parents

Dynamic tools bring learning to life. Anytime. Anywhere.

Live labs

Fully integrated labs allow learners to practice their new skills in a sandbox environment.

Practice tests

Comprehensive practice tests from MeasureUp are integrated at the end of each course to measure learning.

Quizzes & case studies

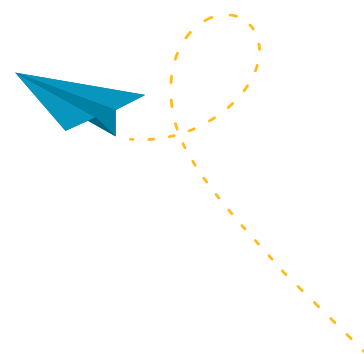

Built-in activities at the end of each section ensure learners retain concepts for greater success.

Videos

Videos let students hear directly from experts learning firsthand from their experiences how to master concepts and skills.

One simple login

Students access text, video, quizzes, practice tests and labs with one consistent interface and login.

We're committed to your success.

That's why we back our courses with our Exam Pass Pledge. We'll provide you with all the tools, preparation and practice exams you need to pass your certification exam. We're so confident that if you don't pass on your first attempt, we'll give you another opportunity to try again at no cost. That's our pledge to you.*

Let's get started.
